

Claims

We claim:

- 5 1. A powder for oral suspension, comprising:
- a) a n-propanol solvate of non-dihydrate
 azithromycin; and
- b) at least one pharmaceutically acceptable
 excipient.
- 10 2. The powder for oral suspension of Claim 2 wherein
 said n-propanol solvate of azithromycin is
 azithromycin form J.
- 15 3. An oral suspension, comprising:
- a) a n-propanol solvate of non-dihydrate
 azithromycin; and
- b) an aqueous vehicle.
- 20 4. The oral suspension of Claim 3 wherein said
 n-propanol solvate of azithromycin is
 azithromycin form J.
